

## Mister V.I.

When MR VI is on stage, he is in his element. With his enthusiastic skills he grabs on to the crowd, and never let them go.

MR VI says: I am constantly busy to connect with my audience. Don't call me the host of the night who only pronounces the dj's. But on the other hand I am not a rapper who non-stop spits in the mic. I like to find an eveningfilling way between those two. The timing between the dj and MC is crucial. The skills of MR VI are unique, and besides that he is blessed with a golden throat. This guy knows how to play the crowd.
