Armand van Helden

Armand Van Helden has never done things by halves. So when the mercurial producer decides upon a new musical plan of action he doesn't just dip his toes into the sonic water, he dives right in. Welcome, therefore, to GhettoBlaster. An incendiary call to arms, GhettoBlaster, from the unambiguous title to the thrilling sounds contained therein, is an unapologetic throwback to dance music's joyous infancy. A time before house ate itself; a time when you could play Inner City next to Mantronix next to The Clash next to Rob Base and Easy Rock and no one would blink an eyelid. Indeed, as Armand puts it: "On this album I was going for a retro throwback 1985-89 soul up-tempo urban type sound. Chicago meets Miami meets New York City kind of thing. Or to put it differently, house meets freestyle meets hip-house meets club meets new wave."
