B-front

B-Front (Bob van der Palen) was introduced to music at the young age of 8 years old.

He became acquainted with a next-door neighbours studio and it was not too long until he was tweaking the Distortions, Drum Machines and Synthesizers.

...

At the age of 10 B-Front was ready to go out on his own and he started to produce his own records, at this stage Hardstyle wasn't around so B-Front got by with Trance music.

Fast-forward a couple of years later and B-Front was signed to his first of many labels "DJS Records". His first release at the age of 15 "Motherfucking Psycho/Jumpin" was supported by all the top artist and sold world wide.

In 2006 it was that finally things started to fall in place. The track "Lunatick" was a hit in the charts and gave B-Front a lot of exposure and eventually led to playing ...
