"While I'm awake... I realised that I have two lives: a night one and a day one. The resulting fatigue goes deep down in my head and my heart. It gives me an insomniac's view of the world—and that forms the inspiration for this album."

Giovanca's first album focussed on subway travel. The singer travelled with a notebook to write down all the images that she was confronted with, which was then the basis for Subway Silence. For her second album, she travelled more within herself. Her notebook was placed beside her bed since inspiration seemed to come mostly at night when she couldn't sleep. 'Until around 3AM it's okay to be awake but then after four it really isn't fun anymore. At night, you're supposed to sleep so you try everything to fall asleep. But of course that doesn't work. For a while I thought it as a problem but the...
