Marco V

Born in the Dutch lowlands of Heeswijk-Dinther, Marco Verkuijlen has established himself as one of the most inventive, diverse and creative electronic music minds working today. Through his very first releases he became the architect of tech-trance; a sound that went on to become a fully-fledged electronic music phenomena. Continually modifying and fine-tuning his style ever since, he has gone on to create numerous leading-edge dance classics – ‘Godd’, ‘Indicator’, ‘Echnalava’, ‘More Than A Life Away’ & ‘Coma Aid’ numbered among them. Behind the decks he has smashed nights in all the world’s farthest corners, played a near uncountable number of tent-pole events for the scene’s flagship club & festival brands. As a result of which he has spent the last 7 consecutive years inside the ranks of DJ Magazine’s Top 50.
