## Protoculture

Only a few South African producers enjoy the success that DJ and Producer Nate Raubenheimer (better known to most as Protoculture) has had over the last 8 years. Sucked into the art of music production at a young age, he made the leap to pursue a music career professionally after completing his studies in Audio Engineering at the age of 20. His career began by immediately taking the international psy-trance scene by storm with his first artist album, 'Refractions' and trademark melodic and uplifting sound.

A slew of international performances followed, seeing Nate travel to all four corners of the globe. From London to Tokyo, Sao Paulo to Moscow. Nate has rocked dance-floors everywhere, most notably at festivals such as Glastonbury and Glade in the UK, Universo Parallelo on the beaches of Bahia, Brazil, and also in clubs and su...
