Swanky Tunes

Of all the exciting new house sounds coming out of the East these days, Swanky Tunes ranks among the most noteworthy. The group formed in 1998, experimenting with different electronic styles in pursuit of their own sound. At first, there were techno sounds mixed with vintage synthesizers. Then the group moved into a distinctly big-beat influenced sound.

These days, hints of the techno, electro-80's, and the contemporary progressive house movements are all finding their way into the mix. Swanky Tunes were named 'Best Musical Group' in 2006 and 2007 at the Russian Dance Music Awards and they are currently ranked #14 among the Top 100 DJs of Russia. Internationally, their tracks and remixes have been issued on Mixmash, Spinnin' Records, Refune, Size Records and Cr2 Records.
